A. M. E. CONFERENCE.--Several colored preachers went to Portsmouth on the steamer Andes yesterday, to attend the Conference of the African M. E. Church, which convenes there to-day.

A PLEASURE TRIP.--A number of ladies took passage on the steamer Andes yesterday, on an excursion to Cincinnati. Among them are Miss Belle Mendel, Miss Mary Reid, Miss Jenny Friend and sister, and the two Misses Bell.

BODY IDENTIFIED.--The body of a man found in the woods near Powhatan a few days since was identified yesterday as Daniel Harbaugh, of New Lisbon, Ohio. The remains were sent home for interment. How he came by his death is unknown.

AUTHORIZED TO REMOVE.--In the Circuit Court yesterday an order was issued authorizing O. C. McSwain, guardian in Ohio of the infant children of Richard Veary, deceased, to remove to Ohio personal property in this State belonging to his wards.

REJECTED MARSHAL.--There were only 194 votes polled at the election for Marshal in Bridgeport on Monday. James McConaughy was elected to fill the office, receiving two votes more than Israel Phillips. The other candidates received but few votes.

HORRIBLE ACCIDENT.

About 10 o'clock yesterday morning a boy named Joseph Weimer was run over and cut to pieces by an engine on the B. & O. Railroad, in South Wheeling. The particulars of the accident are as follows: Weimer was about thirteen years of age, and his parents reside in that part of South Wheeling called Lagrange, on an Alley between Jacob and Wood streets. He had gone to the Catholic School in the Eighth Ward, but as he was late he found the door closed, when he went out upon the railroad. About this time the yard engine, No. 180, with a gondola attached, came down from the shops, and when near Miller & Bonar's cooper shop, Weimer attempted to get on the engine, but slipped and fell underneath the wheels. His head and left arm were cut off, and his breast and thighs literally mashed to a jelly.

Equire Schultz summoned a jury, consisting of the following named gentlemen: D. M. Maxwell, foreman; Joseph George, Ephraim Jackson, T. C. Dunaway, George Orum, John Humes, Wm. Fette, Jacob Stahl, John V. Davis, Jacob Schaffer, Jacob Hupstetter.

The following witnesses were examined: John Cummins, engineer of engine 180; James Berry, fireman; and Albert Snedeker, brakeman of same engine; and Richard Happy. The evidence elicited was substantially the same as narrated above. Mr. Cummins testified that when passing Miller & Bonar's cooper shop he was started by the scream of a woman, and looking behind he saw a boy's hat lying on the railroad. He immediately stopped his engine, and found the remains of the boy lying on the rails. A verdict of accidental death was rendered by the jury.

MR. EMBLING'S BENEFIT.--The complimentary benefit tendered Prof. Ebling by the Wheeling Musical Institute attracted a host of the young gentlemen's friends to the Opera House last evening. The audience was large, and comprised some of the most critical tastes in the city. The programme published in yesterday morning's issue was faithfully followed, with the exception that Mrs. Whitaker was prevented from singing by a severe cold, and Miss Etile Roemer sang in her stead "Salute a la France." The several performers received enthusiastic encores, but they were not all responded to. In response to the encore of "When the quiet Moon is Beaming," Prof. A. S. Roe sang "Speak to Me," with good effect. Mrs. Whitney sang as an encore "Robin Adair," in her most charming manner. We should be pleased to speak in detail of the entire programme, but other duties prevented our attendance until a late hour.

BIBLE ANNIVERSARY.--We understand that arrangements are being perfected for the coming anniversary of the Wheeling and Ohio County Bible Society. The meeting will be held about the middle of June, in the Fourth Street M. E. Church, in this city. The committee having the matter in charge, Revs. S. B. Barnitz, James Moffat and J. B. Clark, are busily engaged in corresponding with a view to getting speakers from abroad, and other details. The occasion will be one of great interest. The District Superintendent for West Virginia, W. R. Wright, Esq., is expected to be present, and will give an account of the recent canvass of the interior counties of the State. The collection to be taken will be for the purpose of furnishing Bibles to the destitute portions of the State.

HEALTH OFFICER'S WORK.--Health Officer Jepson: since April 1st has thoroughly canvassed the city, and during that time has issued 419 orders for the abatement of nuisances. They were distributed as follows: First Ward, 66; Second, 63; Third, 67; Fourth, 60; Fifth, 48; Sixth, 40; Seventh, 27; Eighth, 53. Quite a large number of these have not yet been removed, but when all the orders have been complied with the work of cleaning the city this season may be considered as completed. Of course there will be nuisances reported from time to time, which will be promptly attended to. Dr. Jepson has worked hard to purify the city, and deserves the thanks of the people for his energy and industry.

MURDERED BY INDIANS.--A letter was received in this city yesterday from a gentleman in Kansas which states that Paul Handell, who was about six years ago employed in Meyer's cigar factory here, had been murdered by the Indians in that State. While out gunning some time ago his gun was accidentally discharged, and the contents lodged in his arm. He was going to a fort with a companion to have his wound attended to, when they were attacked by Indians and both murdered. Handell's parents reside at St. Clairsville.

ARRESTED AND DISCHARGED.--A woman who gave her name as Mrs. Hamilton, hailing from New York, and accompanied by two children, was arrested by Officer Henry yesterday afternoon for disorderly conduct in the Magnolia saloon. She was locked up, but afterwards released by Judge Crammer upon payment of costs.

CIRCUIT COURT.--In this court yesterday, the evidence in the case of the Franklin Insurance Co., of Cincinnati, vs. the Fire and Marine Insurance Co., of this city, was concluded, and the argument commenced.

To-day the cases of State vs. Babcock and Hazlett, upon an indictment for larceny, are set for trial.

NOT OPEN ON SUNDAY.--At a regular meeting of the Wheeling Library Association on Monday evening, it was decided that hereafter the rooms will be closed on Sunday. The reason given for this action is that the parties for whose benefit the change was made last fall did not sufficiently patronize the library.

POLICE COURT.--There was but one case examined at the police court yesterday morning, Paul Longmonezo, the peasant merchant, was fined \$10 and costs for assaulting a boy named James Garvey at the Second Ward market house.

OPERA HOUSE OFFICER.--Mayor Jeffers yesterday appointed David E. Brockett a special policeman, to be stationed at the Opera House. Mr. Brockett was recently a night watchman in Centre Wheeling.

MARSHAL COUNTY COURT.--This Court is now in session at Moundsville, with a full attendance. The question of liquor license was to have been decided yesterday. We understand that but two of the eighteen members of the Court are in favor of granting license.

CITY COUNCIL.

Second Branch.  
At the regular monthly meeting of the City Council last night, the following members answered roll-call in the Second Branch: Messrs. Altmeyer, Carpenter, Darrah, Forbes, Hazlett, Hill, Horkheimer, Koppin, Lancaster, Simpson, Smith, Sweney, and Yockler.

In the absence of President Logan, Mr. Sweney was called to the chair. The Committee on Finance reported the following resolution, which was adopted: Resolved, That the City Receiver be, and he is authorized to draw his check in favor of the City Receiver for an amount sufficient to pay the judgment and costs in the case of Henry Amey vs. the City of Wheeling, in the District Court of the U. S. for the District of West Va.; and that the City Solicitor be instructed to pay the same and withdraw the balance of the fund used on, and file with the City Clerk for cancellation.

The Committee on Accounts reported that they had examined the accounts between the City Clerk and the Receiver for the month of April, 1874, cancelled the drafts and orders as provided for by ordinance, and found a balance in the hands of the Receiver for the 1st day of May of \$7,000.18. Also examined the reports of the Clerk of the Municipal Court, and the City Sergeant for the month of April, as follows: fines collected, \$333.00; lockup fees, \$33.00. Also bills against the city amounting to \$461.75, which were ordered paid.

The Superintendent of Water Works reported bills amounting to \$393.20, which were ordered paid. The Committee on Water Works reported monthly bills amounting to \$734.10, which were ordered paid. The Committee on Streets and Alleys reported that they had reorganized by electing C. T. Cowen chairman. Bills reported by the Street Commissioner, amounting to \$1,700.68, were recommended to be paid. The report was received and the bills ordered paid.

SEVERAL COMPLAINTS.--Before Equire Cohan yesterday Bridget O'Leary complained that Hannah Stengle, on the 9th inst., "did commit an assault and battery on her, and did beat her, and under a false charge detained her against her will and without authority of law, and did attempt to commit a larceny by forcibly taking her goods." The defendant was held in \$100 to appear before the County Court, and in \$100 to keep the peace for one year.

MR. O'Leary also made a like complaint against Dorothea Henne, who gave the same bonds required of Mrs. Stengle. DIRECTORS ELECTION.--The stockholders of the Wheeling, Parkersburg & Cincinnati Transportation Company held a meeting at their office in this city yesterday, and elected the following Directors: Charles Muhlenberg, Chas. H. Booth, Jno. Molrine, J. Harrison, H. Schmalbach, Phil. Anshutz and F. Kimpke. Capt. Muhlenberg was elected President, and Capt. Molrine Secretary and Treasurer of the Company.
